听力原文:

1.
W: Did you see The Violinist when it was in the theaters? It was great.
M: Yes. That's a movie I will always remember. I think it's the best movie I have ever seen.
2.
M: Excuse me, but can you tell me where the history books are?
W: Certainly. They are right behind physics books.
M: Oh, right. On that shelf. I can see them. Thank you.
3.
M: I can call a taxi to pick you up tomorrow. But if you want to experience more in a foreign country, you should take a bus or the subway.
W: I've brought too much trouble to you already. I can take the bus.
4.
W: Let's go somewhere special this weekend, Harry! We always stay at home.
M: I like watching TV at home. But we can go out if you want. Maria, let's eat at the new French restaurant downtown.
W: Great!
5.
M: Look at the sky, Jane. How clear it is now!

W: Yes. Luckily, the wind in the afternoon blew away those dark clouds, but the weather report says it's going to rain in 12 hours.

6.

M: The sun is so bright here by the pool! I wish I had my hat.

W: You left it at home?

M: I think so. It was in my suitcase before we went to the airport, but I must have taken it out.

W: What about your sunglasses?

M: Well, those broke on the first day. They fell onto the beach, and I sat on them by accident.

W: You've had some bad luck on this vacation so far, honey! Hey, let's go to the hotel gift shop and buy you a new hat. I want to get a bathing suit anyway.

M: Great! Let me just get my wallet...

W: What's wrong?

M: You're not going to believe what I left back in the room...

7.

W: Hello, young man. Be a good boy and help an old woman cross the street, would you?

M: Of course, madam. I'd be glad to.

W: Thank you. I'm afraid these legs don't move as fast as they used to!

M: Well. I think you're looking very healthy. By the way, where are you going today?

W: Oh, I'm just going to the drugstore over there. I've got to pick up medicine for my husband.

M: Well, I'll wait for you outside the drugstore and help you back across the street whenever you're ready.

W: You are so kind!

8.

W: Peter, do you live in the red house at the end of the road?

M: Yes, I live in that house with my parents and my sister. We also have a dog.

W: Do you take your dog for a walk every day?

M: No. My father takes the dog for a walk on Sunday. And I take the dog for a walk on Friday. My mom and my sister walk him on the other workdays.

W: Who walks the dog on Saturday?

M: On Saturday we all go to the park and the dog comes with us.

W: Do you help with the housework?

M: Yes. My mom and my sister do the laundry, my father does the cooking, and I sweep the floor.

9.

W: You're leaving school soon, aren't you?

M: Yes, my A-levels start next week, but I'm not bothered about the results, because when I leave school I'm going to concentrate on my music career. I'm the leading singer in a band and I don't need any qualifications to be a pop star. I see my future very clearly. I'm going to be incredibly famous and rich.

W: So you've already got a contract then?

M: Not yet. But the minute I've taken my last exam, I'm going to find a really good manager. And I'm moving to London as soon as I've left school. London's where it all happens in the music industry.

W: Do you think you'll be able to live off your music right from the start?

M: Well, at first we might have to get part-time jobs for a few months and it's going to be hard, but I bet you, by this time next year, we'll have had a record in the charts.

10.

When I was eight years old, one day, my father took my brother and me on a picnic beside a river. When we arrived there, my father told us the river was very dangerous. He made us promise not to walk up to it. But I was too curious about it. I thought there must be kinds of fish in the river. So I did not keep my promise. I walked into the river and saw many fish. When I wanted to catch a fish, I fell down. Because the river was very deep, I could not stand or touch the bottom. I cried out loudly, but nobody was there, except my brother Danny. My father had gone to search for some wood. Danny was very scared. He didn't know what he could do, because he was two years younger than me. He jumped in, but that just made the situation worse, because he was even shorter than me and he couldn't swim. Both of us cried out. Fortunately, there was a farmer who passed by. He saved us before our father came back.
